

Wrist-Rockets

Wing™

Internal Bay Band Storage

Snaps Open
Snaps Closed

Warning!
Adult Supervision Required!

Wrist-Rockets® are precision shooting instruments not toys...adult supervision is necessary. Proper instruction includes teaching to shoot responsibly and following safety rules. Please lock or store units to prevent unsupervised shooting. Read and follow warnings and instructions. Instructional videos can be found on wristrocket.com. Only use ammo made for these slingshots, wear safety glasses and leave the wilderness cleaner than you found it.
