

## Armguards

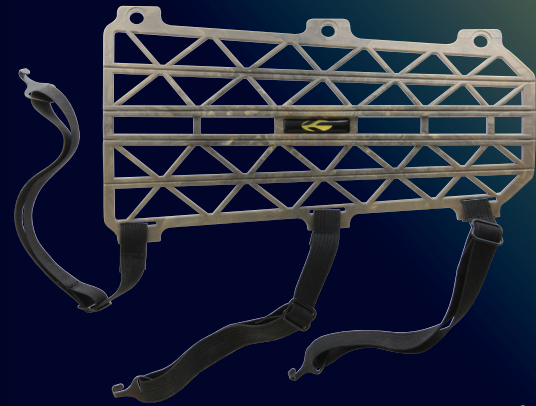

...“I have used the Diamond Defender for years. No matter which hunting jacket I grab, the open design of the armguard seems to disappear, especially with the new swirl camo color.”

Ray Castille, LA

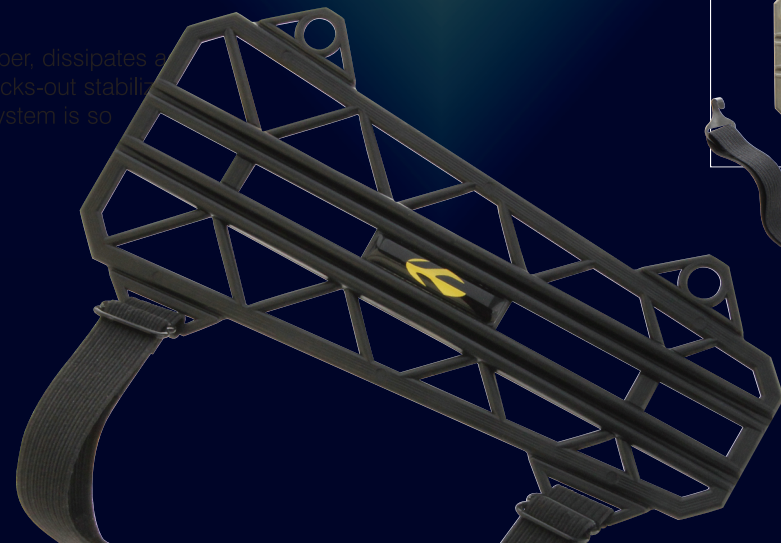

### Diamond Defender™ Jacket-Holding, Scent-Free Arm Guard

Hunters understand leather armguards are scent magnets. Our Diamond Defender's 4" x 7-1/2" open design blends with camo jackets, is cool, comfortable, lightweight and will not absorb odors. It's durable, washable and wide to keep even a heavy jacket tucked in. Will not curl or crack. Hooks latch easily and quietly. Adjustable straps. Choice of the serious hunter.

#1700 Black  
#1700X Camo

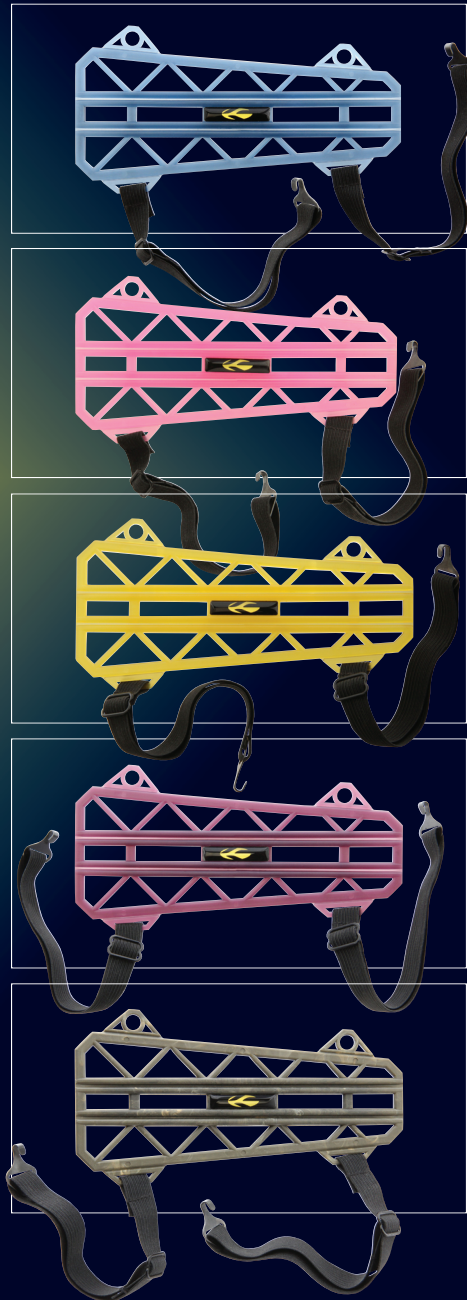

Energy entering the chamber, dissipates as heat. Alignment baffle knocks-out stabilizer sag (photo A). No other system is so advanced.

### On-Guard™ Now in brilliant colors

Clean, open design is cool, comfortable and at home on any range. Will not curl or crack. Quick-hook adjustable elastic. Comes in Black, or Translucent (B)lue, (N) Pink, (Y)ellow (P)urple and (R) Brown

### Exprest™ For Those Who Believe in K.I.S.S.

EXPREST™ keeps it simple. It is the only tape mounted, twin arm rest to hold from the smallest carbon to the largest aluminum arrow with no gaps. Eliminates need to hold arrow by hand or the use of an arrow holder. Draws quietly and smoothly without skip.

Patented arms fold down-and-away for a clean, accurate launch. Works on right and left handed bows and is great for bowfishing too. Patent No 4380226

#0300

### Z-Rod™ Cable-Guard Rod

The Z-Rod's tight bends provide extra cable travel and its 16 micro finish makes it ideal for any slide.  
#1802

### Whisper Whiskers™ String Silencer

Durable, water proof rubber whiskers dampen and quiet string without balling-up, collecting leaves or burrs.  
#0703 Black 1 pair

### String-Shield™ Bowstring Wax

Extends string life and screens UV rays. Odorless, water repellent custom micro-lube formula keeps fast flight & Dacron strings fast and accurate.  
#1428

### Vu-Lube™ String/Rail/Tab Lubricant

Formulated for the VUDU™ dampener. Vu-Lube™ is a super slick all temps blend, odor-free, waterproof and will not attract dust... The Ultra Slick Stick!  
#1426 Two tubes

### Kwik-Lok™ Composite Arrow Holder

Kwik-Lok's™ unique composite of soft plastic and spring steel holds the arrow firmly, yet swings away quickly, smoothly, quietly, even under the coldest conditions. Now the pressure button mount also adapts to fang style shoot through rests.

Carbon arrow adapter rings included.
