Saco™ Targets

Saco-6™ and Saco-2™ are exciting new archery and slingshot dueling targets. Many games are shot against the clock or have shot limits, both of which build excitement. Individual or team competitions are fast, action packed and fun to shoot. Being a spectator is fun too. Watch as the drama unfolds, shooters pull ahead, fight to recover or fold under pressure. Shoot solo to relieve tension, hone skills or just to enjoy the sounds and action of impact. Contagious for shooters and spectators alike!

Construction Commercial Grade Materials

Saco™ targets are made to take a beating. Tough tubular frame, buttressed end caps, stainless clamps and polyurethane paddles make for a beautifully strong and durable unit.
